Dear Mr. Collins:

This is to acknowledge and thank you for your letter of April 20th and your invitation to attend your Milwaukee Radio Amateurs' Club Stag Party on May 28, 1949. Also, your request for a donation of equipment to be given away as prizes.

It is not very likely that we will be able to attend your Party, but we wish to offer our sincere wishes for a successful gathering, which I am sure it will be. Regarding donation of prizes, we have, by necessity, had to adopt a policy of not making any direct donations to such gatherings. I am sure you can appreciate our position when you take into consideration the similar requests we are constantly receiving. Instead, we have adopted a policy of furnishing any of our equipment of your selection at factory cost. For that reason, we are pleased to send you a copy of our latest catalog, and if you will advise us of what equipment you might be interested in, as prizes, we will be pleased to quote you a price.

Again wishing you a successful QSO Party and awaiting your further word, we beg to remain

Very truly yours,
